Appl. No. 09/806,346, Conf. No. 8557, PCT/DE00/02723, Ex.: Alan Diamond

Dear Sir or Madam

Thank you for your letter from 06/23/2004.

Referring to point 3 of your notice the drawing have been added in error, when I print out the whole file. It has been already accepted with the old notice from 11/03/2003.

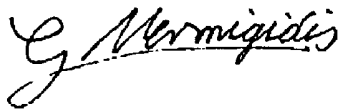

Referring to point 4 I have added again the complete listing of all claims together with the status of the claims.

I do this in the same way how you show it in the example from your office flyer from July, 30, 2003.

I hope that now everything is correct.

Yours faithfully
